**If Workshops needs more money, Clay in Ed will roll over some money later in the year.**

**Secretary spent \$50 on stamps and has most of them left. Will probably need postage again in future years**

**Clay Fest will donate \$500**

**Annie moves and Maryanne seconds that we accept the budget as read.**

**Clay Fest proposed budget: 21,719**

**The Local Clay Website is in the process of being updated. Look at the section describing your job to see if it needs new info.**

**Need graphics for Clay Fest bookmarks. Send photos of your pottery to Frank Gosar [frank@offcenter.biz](mailto:frank@offcenter.biz). Send mass email.**

**Annual picnic will be at Clay Space again. Because of the Eugene Celebration, we've moved the date to August 19.**

**Ziggy would like to start meetings with a question. Possible questions:**

**\*Styles and copying. How much do you have to change something to make it your own?**

**\*Bring problems for feedback. Why does this glaze do this? How do you manage dust?**

**In the early days, the Local Clay meeting lasted no longer than 1.5 hours. There was a one hour meeting followed by a half hour program.**

**The March meeting program will be A Rhoda Retrospective: 40 years of pots.**

**Karen moved that we adjourn. Josh seconded.**
